Re: 2022HB-05283-R00-HB

To whom it may concern:

I'm writing to advocate on behalf of 2022HB-05283-R00-HB. My daughter attended Rockville High School's Agricultural Environmental Sciences Technology (ASTE) program for the past 4 years. The program has been extremely valuable to her development as a person and as a student. This is a vital program that should be available to as many young people as possible. Please consider this endorsement to vote to pass 2022HB-05283-R00-HB. Thank you!

Respectfully,

Anthony Vitiello
